>Dear Dancers,

>My husband and I have recently put together a website about the old
>Aviemore Centre and how it used to be in its heyday of the 60's, 70's and
>80's. It seems to be proving very popular with over 1300 people looking
>at it since we started it at Christmas. People seem to be enjoying
>reminiscing about the 'old Aviemore of yesteryear' and we have even had
>emails from celebrities including Blythe Duff from "Taggart" and Bill
>Paterson, which is lovely for us as we have put a lot of time and effort
>into getting this website off the ground.

>The website address is <http://www.auldaviemore.co.uk/>

>Would it be possible for you to email this letter to all of your **Royal**
>**Scottish Country Dancing Society** members, or put it on a notice board for
>everyone to see, so that they can contribute to the website with any
>memories and photos that they may have if they ever went there, either on
>vacation/holiday or to work during this period. We would love to hear
>from anyone with any stories to tell and we are trying to reach as many
>people as we can.

>

>We are hoping to have a small feature about our website in the "Scotland"
>magazine shortly and have been fortunate enough to get links set up with
>Scottish Tourist Boards to our website which is another good way of
>reaching more and more people.

>

>If you could help us, we would be extremely grateful.

>

>Many thanks for your help.

>Best wishes,
