Dance Scottish in London

rscds
London Branch

Classes 2023-2024

We have classes for all levels of dancing skill and experience from weekly classes aimed at beginners and improvers through to monthly sessions for advanced and very advanced dancers - and lots of options in between!

Whatever your dancing level, there is no need to bring a partner, there are lots of us to dance with and we change partners after each dance. Just bring soft, flat-soled shoes.
