

Donna's Diamonds

Suitable Tune: Galloway House.

Dedicated to Donna Wilson who dances "Petronella Diamonds" with such obvious enjoyment. Most dances containing Petronella Diamonds either contain poussettes which require good pas-de-bas from both partners or more difficult formations, hence my reason for composing this little dance.

1 -16 1st couple dance a Petronella Diamond.
17-18 1st boy and 2nd girl change places giving right hands.
19-20 1st girl and 2nd boy change places giving right hands.
21-22 1st boy and 3rd boy change places giving left hands.
23-24 1st girl and 3rd girl change places giving left hands.
25-26 1st boy and 4th girl change places giving right hands.
27-28 1st girl and 4th boy change places giving right hands.
29-32 All turn right hands 1½ times to own side.

Repeat with a new top couple.
